# **REPERTOIRE FOR FULL ORCHESTRA**

A list of quality works for full orchestra  
available in Australia

Revised 2014

**Ralph Hultgren**

**Head – Open Conservatorium**

Regarding the repertoire available:

Part of my work at the Queensland Conservatorium is to investigate new music in respect of its relevance to the training of conductors and as performance repertoire at all levels.

That information is also utilised in music selection lists by various festivals around Australia. The listing of materials that follows is arranged in the grading commonly used in Australia. For your information, the equivalent grading to the USA levels are:

Premier	-	Grade 4 – 5
A Grade	-	Grade 3 – 4
B Grade	-	Grade 2 – 3
C Grade	-	Grade 1 – 2

The listing here includes added works that were published over a decade ago, but are unknown to many of today's young orchestra conductors. They are incorporated into the list because little new full orchestra material is produced each year, and a revisiting of the older repertoire is edifying in respect of the selection of current performance materials.

The list is a continually evolving one and includes materials that have become more readily available in Australia in the last few years. I would be pleased to discuss repertoire with you. I can be contacted at:

Many publishers produce advertising materials to promote their publications. Ask your music dealer to obtain sample scores and recordings of published works.

As noted, this is not an exhaustive list, but a compilation of researched materials, available in Australia with music supplied to me by the importer.

Your ensemble demands and deserves quality repertoire and it is up to you, the conductor, to spend the time in finding it. It is my hope that this listing of quality orchestra music has been of some assistance to you in that search. Please feel free to contact me at the Queensland Conservatorium at any time.
