Futura Music Education

Music education for teachers by teachers

Workshop 1 - Developing your Jazz Program through Technology

Wednesday, 6 April, 2011

6:30pm - 9:00pm

This workshop is designed for instrumental teachers who are interested in developing their students' jazz and improvisational skills through the Jazz Ensemble using the latest technology.

Workshop 2 - Introduction to Music Technology in the Classroom

Saturday, 14 May, 2011

9:00am - 3:00pm

For teachers who come from a more traditional style of music education.

Participants will be instructed and guided through projects used in real class situations.

Workshop 2 - Electronic, Dance & Remix Music for the Classroom Teacher

Monday, 16 May, 2011

6:30pm - 9:00pm

For teachers who have participated in the introductory workshop or who have some experience in audio recording and score production.

For more detailed course outlines, go to www.futuramusiceducation.com.au
