

REPERTOIRE FOR BAND 2011

A list of quality works for band available in Australia

Ralph Hultgren

Head, Open Conservatorium

Conductor - Queensland Conservatorium Wind Orchestra

Regarding the repertoire available:

Part of my work at the Queensland Conservatorium is to investigate new music in respect of its relevance to the training of conductors and as performance repertoire at all levels. That information is also utilised in music selection lists by various festivals around Australia. The listing of materials that follows is arranged in the grading commonly used in Australia. For your information, the equivalent grading to the USA levels are:

Premier: Grade 4 – 5
A Grade: Grade 3 – 3.5
B Grade: Grade 2½ - 3
C Grade: Grade 1.5 – 2
D Grade: Grade 1
Novice: up to and including some Grade 1

This is not an exhaustive list and is prepared to assist you in your investigation of repertoire available around the world. The list includes works for 2011, plus materials that have become more readily available in Australia at that time. Many publishers who might be represented here do not provide materials for me to review so their works are not included. Some of the works are re-releases by the publishers and I have included them as a form of assistance to the new generation of conductors. “Popular” styles and medleys are not included.

CODA:

Many publishers produce advertising materials to promote their publications. Ask your music dealer to obtain sample scores and recordings of published works.

As noted, this is not an exhaustive list, but a compilation of researched materials, available in Australia with music supplied to me by the publisher/importer.

Your ensemble demands and deserves quality repertoire and it is up to you, the conductor, to spend the time in finding it. It is my hope that this listing of quality band music has been of some assistance to you in that search. Please feel free to contact me at the Queensland Conservatorium at any time.
